

LAKE FOREST, CALIF.--- CMC offers UL recognized wire harnesses and cable assemblies.

Posted: 6/12/2006 @ 07:51 AM

Carr Manufacturing Company (CMC) a manufacturer and provider of custom wire harness and cable assemblies, announced today that their Mexico manufacturing facility has completed the certification process required to be an Underwriters Laboratory (UL) approved Wiring Harness manufacturer under UL ZPFW2 standards.

“The UL certification recognizes that CMC products are of the highest quality and is a milestone in our process to continually supply products that meet the demands of our customers,” said Greg Carraway, Sales Manager of CMC.

About CMC.

CMC is a California based corporation specializing in the design and manufacturing of standard and custom assemblies to the electronic, industrial, medical, and military industries. Its unique approach to contract manufacturing allows OEM's to offload their electro-mechanical assembly problems to CMC's experienced staff, thereby allowing the OEM to focus on its core product. Headquartered in Lake Forest, Calif., CMC has over 15 years of combined experience in designing, manufacturing, and supplying various electro-mechanical assembly solutions to the OEM market.
