Carr Manufacturing Company (CMC) has announced today that they have selected Det Norske Veritas (USA), Inc., or DNV as they are commonly referred to their ISO 9001:2008 registrar of choice.

About CMC.

CMC is a California based corporation specializing in the design and manufacturing of standard and custom assemblies to the electronic, industrial, medical, and military industries. Its unique approach to contract manufacturing allows OEM's to offload their electro-mechanical assembly and to focus on their core product. Headquartered in Foothill Ranch, Calif., CMC has over 20 years of combined experience in designing, manufacturing, and supplying various electro-mechanical assembly solutions to the OEM market.
